

BILSON ARMS, LLC.

Cookies & Personal Information

Bilson Arms, LLC is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the Bilson Arms website and governs data collection and usage. By using the Bilson Arms, LLC website, you consent to the data practices described in this statement.

Use of your Personal Information:

Bilson Arms, LLC collects and uses your personal information to operate the Bilson Arms website and deliver the services you have requested. Bilson Arms also uses your personally identifiable information to inform you of other products or services available from Bilson Arms and its affiliates. Bilson Arms may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered. Bilson Arms does not sell, rent or lease its customer lists to third parties. Bilson Arms may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, Bilson Arms may share data with trusted partners to help us perform statistical analysis, send you emails or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Bilson Arms and they are required to maintain the confidentiality of your information. Bilson Arms does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent. Bilson Arms keeps track of the Websites and pages our customers visit within Bilson Arms, in order to determine what Bilson Arms services are the most popular. This data is used to deliver customized content and advertising within Bilson Arms to customers whose behavior indicates that they are interested in a particular subject area. Bilson Arms websites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Bilson Arms or the site; (b) protect and defend the rights or property of Bilson Arms; and, (c) act under exigent circumstances to protect the personal safety of users of Bilson Arms or the public.

Use of Cookies:

Bilson Arms website use “cookies” to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you. One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Bilson Arms pages or register with Bilson Arms site or services, a cookie helps Bilson Arms to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Bilson Arms Website, the information you previously provided can be retrieved, so you can easily use the Bilson Arms features that you customized. You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Bilson Arms services or Websites you visit.

Security of your Personal Information:

Bilson Arms secures your personal information from unauthorized access, use or disclosure. Bilson Arms secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other Websites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Changes to this Statement:

Bilson Arms will occasionally update this Statement of Privacy to reflect company and customer feedback. Bilson Arms encourages you to periodically review this Statement to be informed of how Bilson Arms is protecting your information.

Contact Information:

Bilson Arms welcomes your comments regarding this Statement of Privacy. If you believe that Bilson Arms has not adhered to this Statement, please contact Bilson Arms at Billy@BilsonArms.com, or the web designer at JLYnn@WriteWayWebDesign.com. We will use commercially reasonable efforts to promptly determine and remedy the problem.
